They are still waiting to hear from UHS.

Returned check processor -Barb Collins said BCS processes the returned checks and were doing well at collecting the payments.

Last week they sent her an envelope with about 8 checks. Barb called them and they said they had exhausted all of their ways of collecting on those checks. The collections attorney only had a 2% success rate and they were not using them anymore.

LUYAA either needs to find another co., or still use this one and use a collections firm afterwards.

Barb suggested they continue to use it and have them email the ones they have exhausted.

She felt it was not necessary to find an attorney.
