\$165 FEE WITH 4 GAME GUARANTEE • 35 MINUTE GAMES W/ LICENSED REFEREE

FC Frederick Academy invites you to join us for **ScrimmageFest IX** on August 18th & 19th, 2007 in Frederick, Maryland. Our ScrimmageFest series is a wonderful opportunity to see your team play against four different opponents in a pressure-free environment. At the Academy we believe the current tournament structure places far too much weight on winning as opposed to player development. Over the last few years, we have found that the ScrimmageFest format allows coaches and players to try new things and experiment.

The ScrimmageFest operates in a "friendly-style" environment, with the usual soccer rules applying. Offsides are called as best we can with just a center official. Substitutions are allowed in any dead ball situation, no matter which team has possession (with the official's permission). Our goal is to ensure that it is easy to rotate players in and out of these shortened matches. We do not stop at halftime; instead, we switch ends at a dead ball around the 17th minute.

Dave Shannon is our Academy ScrimmageFest Coordinator.
Please contact him with any questions you may have.
