LUYAA SOCCER

This is our third annual LUYAA Soccer Golf Tournament and for this year we are returning for another outing at Worthington Manor Golf Club, a 7,034 yard Ault-Clark Signature Course, and a frequent U.S. Open Qualifying Site. Named one of the Middle Atlantic's 50 best courses, Worthington Manor is a challenge for golfers of all skill levels.

The golf tournament each spring acts as our main fundraiser for the year and has benefited the soccer program by raising \$14,000 to date. These funds have been used to update our equipment, improve our soccer fields and to further our coach training and education programs.

LUYAA Soccer is celebrating it's 30th year of soccer in the community and has doubled in size over the past five years. With more than 1000 soccer playing children each season, LUYAA Soccer is now the biggest recreational soccer program in Frederick County. We feature an in house program for the younger ages, and travel programs for U10 and older. The boys and girls of LUYAA Soccer compete in the Frederick County Youth Soccer League, where in the past year they've won tournaments at every age level. Some of our Select teams compete in Montgomery Soccer, Inc (MSI) where they have also won division championships and tournaments. In the past year we've also fielded teams which have competed in BBSL and the Maryland State Cup competition.

We thank you for your support.
