Oakdale Middle School  
New Market, Maryland

*COST:* \$35

The Goalkeeping Diploma program, presented under the auspices of the Goalkeeping Institute of the NSCAA Coaching Academy, offers soccer coaches much needed training, and national certification, in coaching goalkeepers. The State Level course is designed for team coaches, not goalkeeper coaches, to expand their knowledge and practice methods so they can evaluate their goalkeepers in game situations and properly integrate them in team training sessions. Participation in field sessions is recommended, but not mandatory.

For more information regarding this course,  
contact SITE COORDINATOR Jay Golomb at [jkgsoccer@comcast.net](mailto:jkgsoccer@comcast.net) or 410-356-0112

Candidates should check with the Site Coordinator to verify that the course is being held, as the NSCAA is not responsible for refunding airfare should the course be cancelled.
