

UK Elite Soccer Camp

We are excited to host half-day Daytime and Evening soccer camps presented by UK Elite Soccer.

UK Elite has combined the best **professional British coaching staff** and the most cutting edge **age and ability specific curriculum** to guarantee your child the best possible soccer camp experience.

Their exciting global curriculum is based on maximum activity, highly stimulating games and practices designed to ensure an enjoyable and educational time for all. It's 'International' flavor will take your child around the world in 5 days, as players learn the different skills that are made famous by the players and teams of England, Brazil, Holland, Italy, and the USA.

The Day Camp is for individual players aged 5-14yrs. Every child receives a Reebok soccer ball, UK Elite T-shirt and written evaluation from their professional British coach. Register online with UK Elite at www.ukelite.com

The Evening Camp is for Teams of players only, and offers a Pre-Season Training week to Recreation, County and Traveling Teams. The Coach is able to customize the curriculum by pre-selecting the areas of focus for their team, making it a very specialized week. This is the BEST way to prepare for the fall season.
