

UK ELITE SOCCER'S 'WORLD CUP 2010' Soccer Camp!

UK Elite has combined the best **professional British coaching staff** and the most cutting edge **age and ability specific curriculum** to guarantee your child the best possible soccer camp experience.

As the 'Leaders in Youth Soccer Education', we hire fully qualified British coaches and teachers, and do not hire high school / college players to run sessions with your children.

The UK Petite camp is a fun introduction to the world of soccer for 3 and 4 year olds. The curriculum is based on a 'Games Based' approach to teaching soccer within a **fun learning, maximum activity environment**. Activities are fantasy-based involving role playing, and are designed to maximize the number of touches each player has on the ball....with their feet!

The theme of the half and full day camps is the upcoming Soccer World Cup in 2010 which takes place in June next year, so we are highlighting that competition and the countries that are playing in it! The aim is to make the children aware of the 'world of soccer'!

It's 'International' flavor will take each child around the world in 5 days, as players learn the different skills that are made famous by the players and teams of England, Brazil, Holland, Italy, and the USA.
