## Letter from the President

Wow, what a year! As we enter into another Fall Season of our program there is much to be excited about. Thanks to the outstanding efforts of our many volunteers, our program continues to grow and mature into a highly professional organization, rich in opportunity for our children and families. LUYAA continues to be one of the largest youth athletic associations in the region, with over 4,000 families as members. With this rapid growth, it is paramount that we structure and run our Board of Directors like that of a growing business. The LUYAA BoD is actively developing a plan for our future. I'd like to share with you some of the many accomplishments that our organization has made and our plan for the future.

### Fields and Facilities

Due to the unprecedented growth in our membership, it is essential that the LUYAA BoD continues to think forward and develop comprehensive plans to accommodate this growth to insure that the capacity and quality of our program. As you know, for some years now our program has been faced with field shortages. Under the leadership of two of our Board Members, Sandy Baker and Robyn Stewart we are in the process of trying to secure additional field space at the fields on 144. Longer term it is the desire of our newly appointed Field Committee headed by Board Member Bob Mochi, to acquire property exclusively for the use of our LUYAA Program. Any ideas to increase our land fund would be greatly appreciated.

### Director of Fundraising

Congratulations to John Anzalone who was recently appointed. John's responsi-

bility will be to establish and coordinate fundraising activities to benefit the organization. Also John will solicit donations from business and service organizations. John will work with a committee member from each sport to accomplish this task. The LUYAA BoD is fortunate to have him on board. Thanks John!

### Volunteers

Our LUYAA volunteers continue to bring out the best in our organization. Hundreds of parents participate in our program. Your support is essential to the continued success of the LUYAA organization. Our children are truly blessed by the support of its dedicated volunteers. I am proud of each and every one of you for your efforts to assist in LUYAA in meeting its goals and objectives for each new season.

A special warm welcome goes out to our new and reappointed Board Members, Kevin Glassic, Sandy Baker and Charlie Dunn. I would also like to thank former BoD Member, Carla Steele for accepting the Registrar Position. Carla also take the Meeting Minutes for LUYAA.

In closing, I'd like to encourage our general membership to take the time to thank our Board Members, Commissioners, Coaches and volunteers for their time and efforts. Because of their passion and commitment, our LUYAA children and families will continue to enjoy a fine community sports program.

Ginny Michaels

President, LUYAA Board of Directors

2. You will be taken to the provider’s website where you can register your children for LUYAA sports.
3. Please register your child starting with the oldest and ending with the youngest.

5. **Click on the link for “Help” if you have problems.**

## 2. Pre-Enroll Online & Pay at Registration at NMMS (Express Line)

1. Follow the instructions for Online Registration above
2. Select the payment type “Bring to Registration”
3. Print an extra copy of your receipt and bring it to the school on one of the registration dates.
4. Turn in your receipt with payment of CASH or Check.

**WARNING - If you sign up online and select the “Bring to Registration” payment option, but do not come to the school, your registration will be considered “LATE” and Late fees will then apply!**

## 3. Register at the school

1. Check the registration dates on the front of the newsletter and on our website. Updates on cancelled or postponed registrations will be posted on the website and the registration hotline as soon as possible. There should be someone for each sport there and they often give out information for the upcoming sport and may have other things that need to be taken care of such as equipment, sizing, purchasing, or paperwork to be filled out.
2. At registration you must fill out a form for each child for each sport. If you have a question about the sport, go to that table and talk to them before you get in the registration line. Don’t write out your check amount until you are told the total that you owe. Please try to sign-up all your children at one time. It makes it easier to apply the multiple sibling discounts.

### **Late Registrations:**

## Message from the Business Manager

Well, here we are, getting ready for another registration. Time sure does go by fast!

As many of you have probably heard by now, I am retiring from my position as business manager at the end of the LUYAA fiscal year (June 30, 2007).

I wanted to take this time to say how fulfilling this job has been for me. No, I am not being sarcastic. I have learned a lot and grown as a person over the past 7 years. If you had told me back then that someday I would be in charge of the business operations of a corporation this big, I probably would have laughed at you.

I have seen LUYAA change and grow dramatically too in that time. I am very proud of some of the policies and procedures that have been put into place during my years of service. Many of you do not see all of the paperwork that is involved in keeping LUYAA running. Your sport commissioners spend many hours coordinating each season. Their job is not easy.

Now, before the rumor mill starts grinding away.... No, I am not leaving

because of any specific person or event that has occurred. All of the LUYAA Board Members have my total respect. They volunteer many hours and work very hard. And please don't worry, it is not health related. My "baby" is graduating this year, and I am no longer on the fields or at the games. As our children move on to bigger and better things, it is time for my husband and I to start to have our own fun. A little more fishing, a little more home renovations, and a lot more golfing!

My final words for LUYAA parents. As I said in the beginning, time sure does go by fast. It just doesn't seem that long ago, that I was running around like crazy to get to the T-Ball Field, or the Softball Field or the Soccer Field usually all on the same day. Try to get to as many practices and games as you can. Take lots of pictures. Before you know it your "baby" will be graduating too!

Get involved. A little help goes a long way.

See you on the links!

Barbara Collins  
LUYAA Business Manager

## Football

---

Are you ready for some Football! I cannot believe how fast the last year has gone, but it is time again for another awesome season of football. Many changes have been made for our upcoming season. The CCFL and CMFL have now merged and we are a part of a bigger league, with many opportunities for our athletes. Our new league is called Mid Maryland Youth Football Cheer Program. For short the MMFL. We now can field teams in Division I, II, and III. We still have our I-70 program and for the little guys we have our Pit bulls.

We have a place for every child to play and in turn this merger gives us the ability to give our athletes more playing time. We are very excited to start the season.

We are in need of many volunteers from team moms, concession managers, apparel managers, team mom coordinators and a fundraising committee. As you can see it takes many volunteers to make the season work. So please if you are interested let us know.

Our head coaches are in place and ready to start the season.

Planning has been underway since the last season ended. It takes many great people to run the football program and I have been very fortunate to work with the best.

Charlie Dunn will be returning this year as Urbana's Assistant Commissioner, Dave Madaras as our Urbana I-70 Area Director, Rich Long as our Linganore I-70 Area Director, and Todd Hylton as our Linganore Asst Area Director. If you have any questions please do not hesitate to contact any of us to answer your questions.

More information will be posted on the website as we move closer to the season.

The start date for practice will be July 30th. This gives us more time for vacations. There is a chance that the Varsity players will start a few days earlier to prepare for camp. We will be attending Shippensburg University for Varsity camp again this year.

All players will start the season with their age appropriate Division I coach and will be placed after the first week of practice. If a player misses the first week of practice they will still be required to report to the Division I coach for evaluation. No exceptions.

Please keep in mind our coaches are very approachable and will take the time to speak with you about any questions or concerns you may have. Please check the website frequently. Contact names, numbers and e-mails are available if you have any questions.

I am looking forward to another great season of football.

See you on the field.

## Lacrosse

LUYAA Winter 2006-07 Lacrosse – The indoor season was very successful. The LUYAA program participated in three different leagues – the Girls played at the Carroll Indoor Sports Center and the Boys played at the Frederick Sportsplex and at the Four Seasons Sports Complex. The program continues to explore different venues to find the best locations for our kids to play.

Thank you to the Coordinators – Heather Erdman (Urbana Boys), Rick Gaudino (Linganore Boys), and Jaine Ackley (Girls) for all your efforts to make LUYAA LAX a success.

LUYAA Spring 2007 Lacrosse is underway and it continues to flourish! For the over 330 participants, we have fielded multiple boys and girls teams for the U15, U13, U11 and U9 age groups and are looking forward to a season filled with great lacrosse. Also, for those parents that love boys lacrosse (started by a mom who loves the game), we will also be holding our Third Annual Mothers Who Love Lacrosse (MWLL) Game this spring; more details to come.

We have had more volunteers than ever before and numerous coaches have attended several coaching clinics to brush up on their coaching skills. We would like to thank our head coaches and numerous assistant coaches, in addition to our team moms/managers and field lining volunteers, timers, fundraisers, and scorekeepers for their countless & selfless hours of dedication to our boys and girls to give them so many opportunities for fun and success out on the field!

Boys Lacrosse continues to have outstanding participation with 6 teams each on the Linganore and Urbana sides. Special thanks to the following Linganore head coaches: Greg Adams, Bob Fowler, Rick Gaudino, and Urbana's primary coaches Brian Cahill, Rob Cooper, Jim McKeever, Tom Flood, Ken Lenta, Randy Lapcevich, Joel Winters, Dave Humerick, Wayne Power, Brian Mueller, Jayne Hench and Tex Welch and their assistants. The end of season SMYLA tournament is scheduled for May 19&20. More info to follow.

Girls Lacrosse, behind Jaine's efforts, experienced another record season of growth and opportunity this year. We added another full U9 team, and are bursting at the seams with many other teams. Special thanks to Assistant Coordinator Lisa Guay and to head coaches Beth Harris, Rebecca Snell, Frank Aparicio, Ginny Rowley, Mark Stephens, and Greg Adams and their numerous assistants.

Thanks to Coach Kim Lenta for leading 2 LUYAA Girls Lacrosse teams through a successful indoor season.

We've had many outstanding supporters through fundraising and sponsorship this spring. We would like to thank the following sponsors who

have provided significant donations:

- Coach Frank Aparicio for a storage container
- Coach Dave O'Donnell and BOWERS for tournament transportation
- Coach and Mrs. Stephen K. Heine for new goals
- M&M Welding and Fabricators, Inc for their U9 Red Banquet sponsorship
- Julian Rock, Michelle Selby & Tim Pridemore for U9 Red team sponsorships
- Longstreth Sporting Goods for their prize sponsorship (www.longstreth.com)
- Coach Kim Lenta and Gotcha Covered for coaches training
- Betsy Hylton for U11 team sponsorship

On April 28, the U13 and U15 Girls teams will head to Washington, D.C. to participate in the Cherry Blossom Lacrosse Festival. On June 10, our U11 and U9 teams will participate in the WMYLC tournament at Mt. St. Mary's.

On Saturday, May 20, LUYAA Girls Lacrosse will host their 1st Annual Lacrosse Festival at New Market Middle School. All teams will play between noon and 5pm, and the day will end with the U15 Linganore/ Urbana rivalry game! There will also be games, activities, challenges, vendor sales and concessions throughout the day - please join in for an exciting day of LAX and fun.

LUYAA Fall 2007 Lacrosse - How does your child become part of this fastest game on two feet? Just have them sign up at fall registration for the fall lacrosse clinics. These are low cost, low stress, skills oriented clinics offered September through October/ November (weather dependent). These boys and girls will meet twice during the week to learn the basics of the game. Boys will not require

equipment beyond a stick and ball; a great way to get a feel for the game before purchasing all of the gear.

Thanks again to all of our wonderful volunteers and supportive parents that help to make this program successful for all of our players.

Remember, have fun and lax on.

LUYAA LAX Commissioner  
Stan Aldridge

## Poms

---

The LUYAA pom program is open to all girls entering 1st through 8th grade for the fall school year.

We are looking for girls who love to dance and who love to be part of a team. The poms are divided between the Hawks and the Lancers according to the school in which the girls attend. Spots on the squads fill up quickly so make sure you register early.

Team spirit and dedication is the biggest part of the pom program. Coaches can teach the routines, but it is the girls' performance together that creates this sense of team. Through poms the girls gain confidence and a core group of friends that lasts through high school. The majority of the Linganore and Urbana High School poms were all LUYAA poms at some point during their elementary and middle school years.

Pom performances are limited to halftime during the Saturday home games at the home fields: Lancers at New Market Middle School and Hawks at Fannie Mae field. Practices for poms coordinate with the practice for that divisions football and cheer programs. LUYAA provides a uniform and poms. You will need to purchase shoes, socks, briefs, body suit and shorts, optional items are sweatsuits, jackets.

Our summer pom camp is always a huge success and our biggest fund raiser. The girls participate in a four 1/2 day camp at Kemptown Park where they learn routines, kick lines and the girls and coaches that will be on their squad. The 2007 pom camp will be from Monday, August 6 through Thursday, August 9. On Thursday evening we will showcase all the squads in a finale performance. Don't miss the fun and opportunity to learn routines - schedule camp into your summer!

Of course, the pom program is always in need of volunteers: team moms, coaches and coordinators. If you would be interested in any of these, please let us know at registration.

Registration to join our 2007 fall pom program will be held in May. Please check the LUYAA.ORG website for exact dates, times and location and for general registration rules. At registration we will have the information for camp and information for the items to be purchased. If you have any questions, please check the LUYAA.ORG website or you can contact the pom commissioner, Suzanne Patton, at Hawkspomcoach@comcast.net.

# Soccer

Join us for our third annual LUYAA Soccer Golf Tournament on May 21 at Worthington Manor Golf Club in Urbana. The

tournament is our best fundraiser of the year with proceeds directly reinvested in LUYAA Soccer. Individual registrations, pairs, threesomes and foursomes of course are welcome. We'll match you up with others if you need some partners. Lunch will be served on the course and we'll retire to the clubhouse for dinner and awards afterward. It's a lot of fun and you don't have to be an accomplished golfer to play because it is the team score which counts. It's a scramble with a 10 AM shotgun start and we are happy to welcome hole and tee sponsors as well. Please visit [www.luyaa.org/soccer.htm](http://www.luyaa.org/soccer.htm) for a registration form and more information about sponsorships.

LUYAA Soccer continues to experience amazing growth. Registrations are up another 10% from spring 2006 to spring 2007. For the full soccer year, which is made up of fall 2006 and spring of 2007, LUYAA Soccer has registered in excess of 2000 children. Our growth is led by our TOTS program for threes and fours, coordinated by Melanie Robinson. This program has grown each year we've offered it. This spring marks our first full academy graduating class of the first set of threes who began the program in the fall of 2005. This group is leading the revolution of LUYAA Soccer at the younger ages and they will head

as a group to the 3 v 3/U6 Academy for fall of 2007. The restructuring of our program continues this fall with the expansion of the academy concept in to the U8 program. All U8s will play in house this fall and will be based at Deer Crossing Elementary under the direction of coordinator Tom Troutman. Most of our U8s already play there but this fall they will be joined and unified by those from our soon to be discontinued U8 Competitive program. The expansion of the academy style through U8 is being done in order to

expose all of our entry level children to the same developmental concepts of ball mastery and ball control in order to increase confidence with the ball. As with the 3 v 3/U6 Academy, all children will be exposed to the same level of coaching expertise courtesy of UK Elite Soccer. UK Elite is supplying the curriculum and will provide the basis of the coaching and instruction for the Academy. This will be set up in a pressure free environment featuring lots of touches on the ball in practice, and play days on Saturdays without a score being kept.

Challenger returns as our longest running camp provider and they will kick things off the last week of June. Hood College head coach Brian Wall returns for a third summer of instruction with us. Coerver is back for a second season and provides our only full day option for a soccer camp. You can learn more about all six weeks we are offering and what distinguishes one from another [www.luyaa.org/soccer.htm](http://www.luyaa.org/soccer.htm) Please click on the summer soccer camps tab. Once there you can click on each camp provider to learn more and to register online. Last summer over 300 children attended LUYAA Soccer summer soccer camps.

As we continue through the soccer year, please remember to keep our fields clean and to leave the pets at home. Lastly, please remember to thank our volunteer coaches and coordinators who give countless hours of their time to help keep this growing program going. Please visit the contacts page of the LUYAA Soccer web site for more information.

If you have any questions or comments about the LUYAA Soccer program, please contact the commissioner at [soccer@luyaa.org](mailto:soccer@luyaa.org) or call the soccer Hotline at 301-662-5525.

Thank you.

## Softball

Over 250 girls are set to play the great sport of softball in the LUYAA program. This spring, the LUYAA program will have five teams in the 8 and under division (8U), seven teams in 10U, and six teams in 12U. Two talented 14U teams will vie for the Frederick County Girls Softball League 14U title.

The 14U, 12U and 10U teams will practice and play at Windsor Knolls Middle School while the 8Us will practice and play at Green Valley Elementary. The softball committee has been hard at work preparing and improving these fields for the 2007 season. Please help maintain these fine conditions by helping prepare the fields for games and filling in holes at the batters box and pitching rubber after games and practices.

Watch the website to keep abreast of updated scheduling and other news throughout the season. We've already held several clinics and hope to offer more for all ages on a variety of subjects throughout the season. Look for e-mails on this, and please contact Ron Patterson at [rpatter858@comcast.net](mailto:rpatter858@comcast.net) if you have suggestions.

Practices are underway and the season is set to start April 14. Another great "opening day" is planned on April 14th including an appearance by the Frederick Keys' "Keyote". We'll be playing ball just about every day, so please come out and join the fun. The spring session will wrap up by the time summer

break comes, but we still plan to hold a 6-week extended season for the die-hards.

Whether you know anything about softball or not, every parent can help make this season a huge success. It starts with bringing your child to practice or games on time, properly clothed, and with water or sports drink. Coaches usually want kids arriving at the field 30 minutes before game time. If your child cannot attend a particular game, let the coach know. Our coaches will also need your help during practice and games with a variety of things. Please ask your coach how you can help with the team.

On Saturdays, 10U and 12U teams playing on field #1 at WKMS will work the concessions stand. For their part, the 14Us and 8Us will have two car wash fundraisers at Suntrust bank in Green Valley (MD-75/80 intersection) on April 28th and May 12th.

We cannot thank our sponsors enough for their contributions to the 2007 program. Without these folks' support, we would not be able to provide the new equipment and fine field conditions we have in the last couple years.

This is a very special group of wrestlers who I look forward to coaching again next year. You are all WINNERS in the eyes of the coaches and parents.

A special thanks goes out to all the volunteers and assistant coaches who helped move mats, mop mats, run concession, man the scoring tables during matches, coach matches, help with practices, etc., etc., etc. Without the commitment of these volunteers, the wrestling program would simply not exist. You are all great and wonderful people. THANK YOU! Next year we will put a team in the Capital Area Wrestling League (CAWL) and the Mason Dixon League. This is to better prepare our wrestlers for High School Wrestling.
